

REPUBLIC OF LIBERIA

GENERAL SERVICES AGENCY (GSA)

REF: INVITATION FOR BID/PRICED LIST (BUILDING MATERIALS CONTRACT)

The General Services Agency (GSA) was established under chapter 51 of the Executive Law of 1972 to respond to the need for more organized approach to purchases, registration, management, and maintenance of all Government assets.

The General Services Agency (GSA), as part of its mandates, will be carrying out constructions and maintenance of its offices and several Government facilities, and therefore intends to apportion funds from its fiscal 2012/13 budget toward the cost of procuring construction materials under the contract: IFB/GSA/NCB/003/12/13.

GSA now invites sealed bids (Priced Lists of assorted building materials) from eligible and qualified bidders for the supply of construction materials which GSA will need to carry out its constructions and maintenance works for the fiscal year 2012/2013.

Bidding will be conducted through the National Competitive Bidding (NCB) procedure specified in the PPCC Act, and is open to all national bidders as defined in the Guidelines.

Interested eligible bidders may obtain further information from the below address:

The Procurement Unit
General Services Agency
Old USTC Compound
UN Drive, Monrovia, Liberia
Contact #: 0886-519-703/ 0886-498-498

Qualification requirements include:

1. Current Business Registration Certificate
2. Current Tax Clearance
3. Past Performance History with at least three (3) references

All bids (Priced Lists) must be sealed and delivered to the address listed above on or before October 19, 2012 at 1:00PM.

Electronic bids will not be permitted. Late bids will be rejected. Bids will be opened at 1:00PM on the same day of closing, at GSA in the presence of representatives of bidders who will choose to attend. Bid price should be quoted in United States Dollars. Selection will be based on quality and price of products, and comprehensiveness and responsiveness of Bids/Priced Lists.

Signed: 
Jordan J. Gongar

Acting Procurement Director
